Stability to Electrolytes:	medium
Stability to Acids:	Very good at a pH above 2.0
Light Fastness:	excellent
Utilization:	all kind of articles

PROPERTIES

GEOFAT G 50 is a general use fatliquor developed from specially selected raw materials. It provides soft and full leathers with a pleasant hand feeling, without compromising the grain tightness. On suede leathers, it provides excellent surface touch and a nice nap. Due to characteristics, GEOFAT G 50 can be used as main fatliquor or combined with other auxiliaries.
